Request for Information under the Official Information Act – OIA 2016/007

I reply in response to your email requesting information 22 January 2016:

- *The total number of prisoners placed on the waiting list for inpatient services during the course of the most recent year you have records for;*

There were 46 prisoners who were placed on the waiting list for 2015

- *The length of time, in days, each prisoner spent on the waiting list.*

The length of time ranged from under one day to 37.4 days. The average length of time was 8.2 days.

Clients continue to be assessed while on the waiting list for a bed.

Please note, Capital & Coast is responsible for the Central Regional Forensic Mental Health Service and statistics for other forensic services may not be comparable.

Yours sincerely

General Manager
