Dear Mr Rescue

Thank you for your request made under the Official Information Act 1982, received on 1 February 2016. You originally requested the information from the Ministry of Justice on 29 January 2016 but the Ministry transferred your request to Inland Revenue for reply. You asked:

*On how many occasions have individuals been pursued through the Australian Courts due to an outstanding New Zealand student loan debt?*

To date there have been 12 student loan debt cases filed in Australian Courts and nine judgements issued.

I trust that the information provided is of assistance to you.

Yours sincerely
