Dear Mr Greenhalgh

I refer to your official Information request dated 16 March 2016.

You requested the cost of the barriers being installed in the residential red zone and how this cost compares to the temporary barriers being replaced.

Please find below the Information that you requested.

The cost of the barriers being installed is \$116,725.00 (including GST).

The temporary barriers were installed by the Canterbury Earthquake Recovery Authority (CERA). They were installed, monitored and repaired under a monthly lease agreement, which was in place from November 2014 to November 2015. This agreement cost \$144,706.23 (including GST) in total.

If you wish to discuss any aspect of your request or this response, or if you require any further assistance, please contact Mathew Clark, Group Manager, Residential Red Zone (Flat Lands), Crown Property Christchurch on 03 741 4148.

Yours sincerely
