Dear Ms Rae

Thank you for your email of 29 March 2016, in which you seek the following information under the Official Information Act 1982 (the Act).

- *Options for Funding and Delivering Mental Health Services to Offenders, 2007*
- *Review of Forensic Mental Health Services Framework: Future Directions, 2010*

I enclose a copy of the *Review of Forensic Mental Health Services Framework: Future Directions, 2010*. However, we have been unable to find a report entitled *Options for Funding and Delivering Mental Health Services to Offenders, 2007*. This may be a report generated from the Department of Corrections. If you have not already done so, you may like to direct your request to that agency.

I hope you find this information of interest. If you are not satisfied with my response, you may make ask the Ombudsman to review my response pursuant to section 28 of the Act.

Yours sincerely

---
