

### Alberton Ave Bus Stop Relocation

There are three part time bus stops located on the approach and the departure side of the zebra crossing outside #73 Alberton Avenue. When a bus is parked at the bus stop on the approach to the zebra crossing, the visibility of pedestrians and approaching vehicle is severely impeded.

These part time bus stops are only operational between 8am to 9am and 3pm to 4pm and reverted to parking outside of these hours.

This zebra crossing is heavily used during the school afternoon peak, with teachers of Mt Albert Grammar School patrolling the crossing point.

Auckland Transport is undertaking investigations to remove the bus stop on the approach to the zebra crossing and marking a large bus stop at the departure end.
