Attachments: Image002.jpg
Thanks, Keith

Yes, I think Brian would be an excellent choice. We'll follow it up once we're clear about timing. I agree NZ On Air should be represented. We talked about S9(2)(a) but I'll discuss it with Jane, again once we're a bit clearer about the timetable.

Out of scope

Regards

Rick

Hi Rick

Brian Pauling is moving to Wellington and is likely to be up here when the panel is convened. I couldn't think of a better independent member.

Jane expressed the view that NZ On Air would still like to be represented on the panel, either by me or Jane or someone else. As previously discussed it is good for the licensing and the funding arms of government to coordinate where possible.

Out of scope

Cheers

Hi Keith

No, the briefing hasn't come back from the Minister and we're loath to proceed without her having noted our intentions. Hopefully, it won't be too long now. In the meantime, have you been able to identify someone who we might call upon to act as an independent on the panel?

Subject: 106.1 Frequency

Hi Rick

Just wondering if there have been any developments in the licensing process for this frequency?

Regards
Keith

Yes of course

It won't be in time for our next newsletter – Allanah: can we FB and tweet it? Sending the email now.

Hi Jane

I copied you and Keith into the call for expressions of interest for the Hutt Radio frequency which is now on our website. We're also placing ads in a couple of community papers in the Wellington/Hutt region. We were also wondering if you would be prepared to make reference to it in your next newsletter. We're not looking for a story as such – probably the less said the better – but perhaps just a brief reference in an "other news" section of your newsletter.

As indicate, we're not wanting to make a big splash here but feel we should try and let others know outside the Hutt Radio, Wellington Access, NPRT and Samoa Capital Radio stakeholders, who have all had an email from me, this in the interests of transparency and to try and avoid accusations that we've kept it under the radar.

If you were prepared to do this for us we would very much appreciate it.

Cheers

Rick

Hi Jane

Many thanks for agreeing to take on this assignment! Brian Pauling has also confirmed his availability.

I should be able to courier to you before Christmas the four applications and accompanying documents. I'm afraid a couple of them are a little too bulky for email despatch.

I will check with you both in the New Year if there is anything further you need to properly assess the merits of the applications and whether or not you consider that interviewing one or more of the applicants would be of benefit to the panel.

In the meantime, all the best for the holiday season.

Kind regards

Rick
