Tēnā koe Cory

The next step is to complete the application form which you can find on the Ministry's website at

<http://www.mch.govt.nz/non-commercial-community-radio-frequency>

Please send the form to me by email or by post, ensuring it reaches me by 5.00pm on Friday, 11 December 2015.

In the application tell us what you want your station to do and how it meets the priorities, requirements and eligibility for non-commercial frequencies as outlined on our website, with particular emphasis for new broadcasters, of how you will fill unmet community needs.

You are welcome to append additional information in support of your application to the basic form.

I will look forward to receiving your application in due course.

Kia ora Cory

I acknowledge receipt of your application for the 106.1 FM frequency. It's anticipated that the panel will make a decision on the allocation of the frequency before the end of January 2016. We will contact you should the panel require additional information from you but will otherwise advise all applicants of the outcome of the process as soon as it is confirmed.

Kia ora Cory

The allocation panel has now finalised its decision on the frequency applications and a confirmation letter is attached . A hard copy is in the mail. I am sorry that I am not conveying better news....

I am retiring from the Ministry for Culture and Heritage on 11 February so I won't be around as the next steps play out. Until such time as my successor in the community radio part of the Media Policy team is announced I would suggest you liaise with Carrie Cooke, Manager Media Policy S9(2)(a) over any matters arising.
