This is to advise you that the Ministry is now in a position to proceed with a call for expressions of interest in the 106.1 FM frequency reserved at Mt Kaukau, Wellington.

The terms and conditions for the licence and an application form have been posted on the Ministry's website today, 3 November 2015 and can be found at <http://www.mch.govt.nz/non-commercial-community-radio-frequency>

The closing date for applications will be 5.00pm on Friday, 11 December 2015.

I am mindful that it has taken us much longer to get to this point than anticipated and I regret any inconvenience and uncertainty this may have caused potential applicants.

It is the Ministry's expectation that a decision will be made before the end of January and conveyed to applicants immediately after.

Thank you for your patience.

Hello

I acknowledge receipt of your application for the 106.1 FM frequency. I have received the application itself but the appendices were not attached. If you're sending them by courier to me that's fine.

It's anticipated that the panel will make a decision on the allocation of the frequency before the end of January 2016. We will contact you should the panel require additional information from you but will otherwise advise all applicants of the outcome of the process as soon as it is confirmed.

Sincerely

Dear John

The allocation panel has now finalised its decision on the frequency applications and a confirmation letter is attached . A hard copy is in the mail. I am sorry that I am not conveying better news.

I am retiring from the Ministry for Culture and Heritage on 11 February so I won't be around as the next steps play out. Until such time as my successor in the community radio part of the Media Policy team is announced I would suggest you liaise with Carrie Cooke, Manager Media Policy S9(2)(a) over any matters arising.

Sincerely
