

Our Ref: OE 16-151

11 MAY 2016

By email: fyi-request-3907-ee745064@requests.fyi.org.nz

Dear Mr Sutherland

I refer to your official information request dated 17 April 2016, 8:29pm.

Subject: Official Information Act request - Costs of signage in the residential red zone in Christchurch.

You requested to know the number of large signs in the residential red zone (RRZ) of Christchurch and the cost to remove and replace them with the new rebranded LINZ signs.

Canterbury Earthquake Recovery Authority (CERA) had ten signs produced.

The signs were rebranded but not removed nor replaced. Land Information New Zealand had procured stickers to cover over the CERA logo and contact details. The cost of the stickers and the labour to rebrand the signs was \$1,391.78 + GST.

If you wish to discuss any aspect of your request or this response, or if you require any further assistance, please do not hesitate to contact Sarah Child Project Delivery Coordinator, RRZ Flat Lands, Crown Property Christchurch on 03 7414140.

Yours sincerely

Brian Usherwood
Deputy Chief Executive
Crown Property
