Dear Lee M

Thank you for your email dated 18 April 2016 regarding the ACC review process.

I agree that the issues you have raised are important ones. I have already asked officials at the Ministry of Business, Innovation and Employment (MBIE) to review the regulations prescribing the maximum amount payable for review costs. I have forwarded your email to them so that they can take your views into account in preparing their advice to me. I expect MBIE's advice will be provided in the coming months.

You might be aware that I have also asked Ms Miriam Dean QC to conduct an independent review of the ACC dispute resolution process which is underway currently. I expect to receive Ms Dean's report in early June and I believe the report will touch on some of the issues you have raised too.

Yours sincerely

Hon Nikki Kaye
Minister for ACC
