Dear Li Yi

Thank you for your email received on 23 May 2016 requesting the following information under the Official Information Act 1982 (the Act):

Can I please have the numbers of and proprietors' details for the consents relating to the ultra-fibre roll out by Chorus? As a proprietor of the land (that is part of the Right of Way), I have a right to know which consents have not been received.

Although the Government, through Crown Fibre Holdings, maintains regular oversight of Chorus and its other partners in the Ultra-Fast Broadband roll-out, the information you have requested will be held by Chorus, a private company.

The Ministry of Business, Innovation and Employment does not hold the information within the scope of your request. Therefore, your request is refused under section 18(g) of the Act.

You have the right under section 28(3) of the Act to ask the Ombudsman to investigate and review my decision to refuse this requested information. The relevant contact details are:
