Good morning,

Attached is a copy of the Commission's report on its review of telecommunications contracts for compliance with the Unfair Contract Terms provisions of the Fair Trading Act.

This report is embargoed until it is released by the Commission, which we expect to happen this afternoon. We ask that you do not share the report outside of your organisation and refrain from public comment until we have notified you that the report has been released.

Although we intend this to be the final version of the report, please let me know as soon as possible if you think that any of the information in the report is inaccurate.

Kind regards
