Dear Brendon Barnes

OFFICIAL INFORMATION ACT REQUEST

I refer to your official information request on 11 August 2016 relating to the total funding amount claimed by the marbled grass-fed beef Primary Growth Partnership programme, specifically in relation to their United Arab Emirates (UAE) market entry efforts.

As at 30 June 2016, total claimed for UAE market development was \$273,321. This figure combines both Ministry for Primary Industries and industry investment.

I trust this satisfies your request.

Yours sincerely
