Dear Mr Jewels,

Thank you for your email of 30 August 2016 requesting, under the Official Information Act 1982, the following information:

Could I please request the number of application approved for Managers of Franchise business "Burger Wisconsin" and other Fast Food franchises managers in the last 2 years.

The request for 'other Fast Food franchise managers' is too broad in scope. This would involve a large number of employers which may fall under the definition of 'Fast Food franchises'.

It is likely the Ministry will refuse the second part of your request under section 18(f) of the Official Information Act, that the information requested cannot be made available without substantial collation or research, unless you can narrow down your request in regards to clarifying the parameters of 'other Fast Food franchises managers', such as specifying specific employers. The Ministry invites you to narrow or clarify your request.

Yours sincerely
