Dear Ms Wilson

**Re: Official Information Act 1982 (the Act) request for information**

Thank you for your request received via transfer from the Ministry of Health on 5 September 2016. The information you requested was specifically for:

***Commissioner Richard Thomson stated that 'a survey of SDHB patients showed satisfaction with meals in July was over 90%' (ODT 3 Sept 2016). I would like to request to see the results of that survey and a copy of the questionnaire to determine:***

***What questions were asked?***

***Who asked the questions?***

***How many patients were asked for their feedback?***

This information is held by New Zealand Health Partnerships. As such we are transferring the full request as detailed above to them under section 14 of the Official Information Act. I have informed them of this transfer and they will respond to you directly.

Yours sincerely
