Dear Mr Voyce

**Transfer of your Official Information Act request to EQC**

Thank you for your Official Information Act request which was received on 1 August 2012.

You have asked if the TC3 drilling results for 497 Pages Road, Bexley, Christchurch are on the Project Orbit Database. If so, you wish to receive a copy.

The Ministry of Business, Innovation and Employment (MBIE) does not administer the Project Orbit Database. As your request is more closely aligned with the functions of the Earthquake Commission (EQC), which is the organisation conducting the drilling programme, I have transferred your request to EQC.

EQC has been informed of the transfer today. They have 20 working days from receipt of this transfer to make a decision on this request, and you should expect to hear from them in due course. In the meantime, the relevant contact details are:
