Dear Mr Barrack

Local Government Official Information and Meetings Act 1987
CAS-410046-Z2T5N1

Thank you for contacting Auckland Transport on 28 September 2016, requesting CCTV footage for an incident that occurred at the signalised intersection of Onehunga Mall and Neilson Street on the same date.

The purpose of the CCTV surveillance is to better manage the road network, not as a primary security tool. Therefore the incident you have mentioned may not have been recorded. Where footage of a specific incident or alleged crime is available, Auckland Transport provides footage to New Zealand Police upon receipt of a request from them.

Notwithstanding the above, in this instance a review of the footage reveals that we do not hold any recording of the specific incident. Your request is therefore refused under section 17(e) of the LGOIMA as the footage you are requesting does not exist.

We trust this information has addressed the matters raised however you have the right in accordance with section 27(3) of the Local Government Official Information and Meetings Act 1987 (LGOIMA) to make a complaint to the Office of the Ombudsman if you are not satisfied with our response.

Kind regards

Rua Pani
