Dear Mr Riddell

I am responding to your Official Information Act (OIA) request of 4 November 2016 requesting the following;

In answering a question from Phil Twyford yesterday you made the claim that the overseas experience is that light rail projects can have significant cost overruns.

Please provide the reports, advice or other information from the Ministry of Transport or other public officials you are relying on in making that assertion.

I am transferring your request to Hon Simon Bridges under Section 14(b) of the Act as it more closely connects with his responsibilities as Minister of Transport. Minister Bridges will respond directly to your request.

Yours sincerely

Associate Minister of Transport
