Dear Simon

### Official Information Request - Emergency response vehicles in Region 3

I refer to your official information request which was received on 15 November 2016. In accordance with the provisions of the Official Information Act 1982 I *enclose* a copy of the information you requested.

Please note that some of the listed emergency response vehicles are allocated to their particular station but are not currently operational. In some cases that is for mechanical or maintenance reasons, in others it is because new appliances have been allocated but not yet commissioned and delivered.

Yours sincerely

Leigh Deuchars  
Acting Director, Office of the Chief Executive
