Dear Simon

Information requests: Reference guides and standard equipment lists for NZFS vehicles

I refer to your emails of 10 December 2016, in which you requested (via the fyi.org.nz website) information in relation to various New Zealand Fire Service (**NZFS**) appliances.

Your requests are being processed under the Official Information Act 1982 (**OIA**). The NZFS has located a large volume of potentially relevant information and is currently reviewing that against the terms of your requests.

In accordance with section 15A of the OIA, the timeframe for the response to your request is extended to Friday, **10 February 2017**. This extension is required because your requests necessitate a search through a large quantity of information, and meeting the original time limit would unreasonably interfere with the NZFS's operations.

You have the right, under section 28(3) of the OIA, to make a complaint to an Ombudsman about the extension. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely

Leigh Deuchars
Director, Office of the Chief Executive
