Dear Mr Johnston

Request for information under the Official Information Act 1982

Thank you for your email of 16 January 2017 to the New Zealand Customs Service (Customs) which was received through the FYI website.

You have requested information under the Official Information Act 1982 (the Act) about the number of mail items intercepted by Customs that contain methamphetamine, heroin, cocaine, cannabis, cannabis seeds, LSD and MDMA for the years 2012 to 2016.

The attached tables are released to you under the Act. Please note that when cannabis is intercepted by Customs it is recorded against the form it takes. As such, cannabis interceptions have been provided to you as leaf, resin, oil and seeds.

If you have any questions or comments regarding the enclosed information, please contact the Customs' Communications team via email communications@customs.govt.nz.

Yours sincerely

Donna Baker
Director Communications
