Dear Tian Potgieter

OFFICIAL INFORMATION ACT REQUEST

I refer to your official information request on 19 January 2017 relating to imported consignments of grapes and oranges from the United States, Australia, and Chile.

The import data is released to you under the Official Information Act 1982 in Appendix One of this letter. These tables include the number and quantity of consignments from the United States, Australia, and Chile for the calendar years of 2014, 2015, and 2016. You will note, there have been no oranges imported from Chile during this time period because there is no import health standard for oranges from Chile.

I trust this information satisfies your request.

Yours sincerely
