Dear Brett

**Local Government Official Information and Meetings Act 1987**  
**CAS-362885-Q0N4P0**

Thank you for contacting Auckland Transport (AT) on 23 January 2017 requesting information in relation to the cleanfill consent for Twilight Road, Brookby. In particular, copies of correspondence between AT, Auckland Council (AC) or other parties in respect to compliance with the upgrading of Twilight Road, any reports that approve a standard that is in variance of the plans and specifications issued as part of the Environment Court decision; and the AT department and Team Leader dealing with the approval and processing of this job.

Firstly, we wish to advise that AT have been made aware of the issue with the width of the road and are working closely with AC to ensure the upgrade is to AT's satisfaction, noting the Environment Court decision of 7 metres minimum width. It should be noted that AC undertake the final approval decision following advice provided by AT.

We are able to provide you with the following information:

- Copies of emails between the Development Consents team at AT and the Development Engineering team at AC in respect to compliance with upgrading Twilight Road to the standards and referenced plans of the Environment Court Decision,
- A copy of the Engineering Plan Approval (EPA), and
- The AT department and Team Manager who is dealing with the approval and processing of this job; AT Department: Transport Operations and Traffic Engineering Team Manager: Melanie Alexander.

Please note that redactions to staff names in emails have been made under section 7(2)(a) of the Act.

We trust this information has addressed the matters raised however you have the right in accordance with section 27(3) of the Local Government Official Information and Meetings Act 1987 (LGOIMA) to make a complaint to the Office of the Ombudsman if you are not satisfied with our response.

Yours sincerely

Randhir Karma  
Group Manager - Network Management and Safety
