Dear Dr Shaw

LGOIMA - Request for information

We refer to your initial request (30 June 2017) for information relating to arsenic contamination in Opunake and your subsequent email of 22 July 2017.

As indicated in our reply to your initial request, the information we hold regarding the sites of interest in Opunake is held in various places, including physical and archived files. The time required to fulfil this enquiry relates to locating, scanning and compiling the information. It is not simply a case of forwarding existing digital files.

If you wish to proceed with this information request as per our reply dated 6 July 2017, a charge is required to be paid before the Council will collate the information required. Please advise if you wish to proceed and an invoice will be sent to you.

Please note you have the right to have this charge reviewed by an Ombudsman.

If you wish to discuss this response, please feel free to contact Scientific Officer, Callum Mackenzie [callum.mackenzie@trc.govt.nz or me [gary.bedford@trc.govt.nz] or by telephone 06 765 7127.
