**Date:** 16/9/2016

**Grant Request:** Arohamai Literacy Horowhenua Incorporated CDS-2016-37442 \$80,000.00

Congratulations. On behalf of Community Development Scheme, Life To The Max Horowhenua Trust has been approved a grant R-CDS-2016-37442 of \$80,000.00

It was noted that your request aligns with the fund priorities and criteria, and the project has the ability to meet the fund purpose and outcome. Please note the funding is for a community development worker to assist the Pasifika community to develop and implement a model of Pasifika community development in Horowhenua. An advisor from Internal Affairs will support you to develop a workplan and budget which meets this outcome. The funding is not to support a community navigator as this role is considered service delivery.

A grant agreement will be created shortly. Please advise the signatories and check the bank account details are correct. They will need to log into the new online system GCMS to accept the terms and conditions in the grant agreement.

Yours sincerely,
