Dear Ms Edgington

Re Official Information Act Request – Numbers of new staff included ED and Labplus

I refer to your Official Information Act request dated 22 April 2017 requesting the following information:

Please outline full details of the total numbers of new staff recruitment and staff retention with ADHB over the past 3 years. I would like to see a summary breakdown per month/quarter per department if possible, including staff who have left and returned to service, or who are absent long-term.

In particular, I would like to see the data for the Emergency Services staff and the Labplus Depts - with these breakdowns to include the Auckland City Mortuary recruitment and retention rate.

Please find attached response. Please note the numbers provided include employees of all employment status. We hope it meets your requirements. Should you need any further information please don't hesitate to contact us.

Yours faithfully

Ailsa Claire, OBE
Chief Executive
