Dear Mr Meyer

Thank you for your email of 19 May 2017, requesting, under the Official Information Act 1982, the following information:

"a copy of all information received by CERT (NZ) regarding the "WannaCry"/"WannaCrypt" worm/ransomware outbreak that occurred on the 12th of May 2017."

On 31 May 2017, we provided you with an initial partial response to your request.

Due to the complexity of your request we advise you that the Ministry of Business, Innovation and Employment (the Ministry) will respond to the remainder of your request which needs to be extended. The Ministry's response will be sent to you no later than 17 July 2017.

The reason for the extension is that the consultations necessary to make a decision on the request are such that a proper response cannot be made within the original time limit.

You have the right to seek an investigation and review by the Ombudsman of the decision to extend the time available to respond to your request. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

We will respond to you sooner if we are able to.

Yours sincerely

Sarah Corbett
