Dear Ms Black

Official Information Act Request

I write in response to your Official Information Act Request dated 7 July 2017. You requested the following information:

- Does “Tiaho Mai” mental health inpatient unit currently have security cameras operating within the hospital area? I am defining hospital area as including: the reception area, entrance and exit points, main patient leisure areas, occupational therapy spaces, seclusion rooms, patient corridors, intensive care or high dependency areas, private/patient outside garden spaces. This excludes any cameras operating outside of the inpatient unit treatment areas such as car parks, public hospital grounds.
- If the inpatient unit does have cameras operating may you please provide the following information:
 - When were the cameras installed?
 - Where are the cameras located?
 - How many cameras are operating?
 - “Seclusion, Restraint, and Assault” reporting data for one year prior to the installation of any security cameras. For example, if cameras were installed June 2010, I request Seclusion, Restraint, and Assault reporting data for the period from June 2009 – June 2010.
 - Seclusion, Restraint, and Assault” reporting data for one year after the installation of any security cameras. For example, if cameras were installed June 2010, I request Seclusion, Restraint, and Assault **reporting data for the period from June 2010 – June 2011.**

Tiaho Mai Acute Adult Mental Health Inpatient Unit does not currently have any security cameras operating.

I trust this satisfactorily answers your request.

Yours sincerely
