

We are unable to provide you with data for the period requested because we do not hold it in an extractable form in our systems; however we have provided data on diagnosis for referrals to the Mental Health and Addiction Services from 2012 to 2016.

Not all of the information you have requested is available in our system. As such we have limited our response to the data that we collect which includes the following diagnosis of bipolar disorder, depression, anxiety.

For information regarding death by suicide the office of the Coroner provides annual statistics <https://coronialservices.justice.govt.nz/suicide/annual-suicide-statistics-since-2011/>

|      |                                  |      |
