2. *Current numbers of applicants in the candidate pool grouped into their district posting preferences. See table above (last column titled "In Candidate Pool").*

3. *The shortest time from candidate pool to police college in the last 12months.*

The shortest length of time from a person entering the candidate pool until police college is 8 days*.

4. *The longest time from candidate pool to police college in the last 12months.*

The longest length of time from a person entering the candidate pool until police college is 627 days*.

5. *The average time from candidate pool to police college in the last 12months.*

The average length of time from a person entering the candidate pool until police college is 139 days. The days are consecutive (not working days).

A better reflection of the majority of candidates is to look at the median which is 83 days*.

Yours sincerely
