Dear Antony

Official Information Act request

Please find attached MidCentral District Health Board's (MDHB) response to the official information act request we recently received from you in regards to:

- *Count of monthly adverse events from July 2006 to June 2016 for MidCentral District Health Board. Please note that prior to 2012 the term used for adverse events was 'serious and sentinel events'. Also, I do have yearly count of adverse events, but for my research purpose I require monthly events.*

We hope the information provided satisfactorily addresses your request.

Yours sincerely

Muriel Hancock
Director
