Domestic Graduate applicants must have completed a full-time degree/degrees from a New Zealand university with a minimum of GPA 6.0 (B+ average) to be eligible for consideration for an MBChB admission interview. The last year of full time study in a completed qualification must not have been more than 5 years prior to the year of application. If an applicant has completed more than 3 years full-time study (including Honours, Postgraduate Diploma and Masters), the best 3 years will be considered in GPA calculations.
