**APPLICATION FOR ARCHAEOLOGICAL AUTHORITY UNDER HERITAGE NEW ZEALAND
POUHERE TAONGA ACT 2014: Authority no. 2017/389: N26/308, Golden Bay Recreation
Park, 2032 Takaka Valley Highway, Takaka Valley**

Thank you for your application for an archaeological authority which has been granted and is attached.

In considering this application, Heritage New Zealand Pouhere Taonga notes that you wish to demolish the grandstand at Golden Bay Recreation Park and undertake development for a new community recreation facility and its associated car parking in Takaka Valley. This activity will affect a recorded archaeological site. The Golden Bay Grandstand has been a gathering-space for recreation and civic events for more than 117 years.

Although the grandstand has been extensively modified and added on to over the years, it still possesses important social and historical values. The proposed demolition of the building will remove the remaining archaeological and associated values that are retained within the structure.

We appreciate the consultation you have undertaken with Manawhenua Ki Mohua, who have indicated that they neither oppose or supports either side of the grandstand discussion.

Please inform the approved archaeologist and the Heritage New Zealand Pouhere Taonga Regional Office of start and finish dates for the work.

An appeal period from receipt of decision by all parties applies. Therefore this authority may not be exercised during the appeal period of 15 working days or until any appeal that has been lodged is resolved.
