Dear Mr Collis

Further to my email of 14 September 2012 I am now able to advise that I have obtained the Police file related to the incident you were involved in at Palmerston North on 18 October 2005.

This file shows that you made a similar Official Information Request on 16 March 2009 & this information was supplied to your solicitor, Mark Lillico. Please see the attachment to this message.

With respect to the incident at 'Go-Legal Ltd' on 18 October 2005 & your request "*to know if any compensation was offered to the building owner as a result of the fire and investigation*". Your request is refused pursuant to Section 9(2)(a) of the Official Information Act 1982 "*to protect the privacy of natural persons, including that of deceased natural persons.*"

I can advise you that a property was fire damaged in Palmerston North on or about 2 February 1997 as a result of an Armed Offenders Squad (AOS) incident. I am unable to provide any further information regarding that incident pursuant to Section 18(e) of the Official Information Act 1982 as "*the document alleged to contain the information requested does not exist or cannot be found.*"
