Dear Mr Durham

**Information Request – Request for data for all Ammonia related call outs received by the fire service**

I refer to your official information request dated 13 September 2017 regarding Request for data for all Ammonia related call outs received by the fire service.

In accordance with the provisions of the Official Information Act 1982, I *enclose* the information you requested.

Please note that industrial action undertaken by New Zealand Professional Firefighters Union during late July 2009 to December 2009 and August 2011 to end March 2012 may have limited the information gathered, and now held by, Fire and Emergency New Zealand that is relevant to your request. It may consequently not be possible to draw meaningful comparisons between the information relating to the period(s) of industrial action and other periods for which a fuller range of information may be held.

Yours sincerely
