Dear Nick Young

Re: Official Information Act Request re Greenpeace Communications

I refer to your Official Information Act request dated 28 September 2017 received via email in which you sought the following information:

1. Please give me all information held by the NZ Police regarding intercepting or obtaining communications involving Greenpeace staff within the last five years.

Police have no records of police intercepting or obtaining private communications relating to the Greenpeace organisation within the last five years. Your request is therefore refused under section 18(e) of the Official Information Act as the information requested does not exist or cannot be found.

You have the right to ask the Ombudsman to review my decision if you are not satisfied with the way I have responded to your request.

Yours sincerely

Paul Berry
Detective Inspector
