Dear Brendon

**LGOIMA REQUEST – ACTIVITY & SERVICE LEVEL REVIEW**

I refer to your email request dated 14 November 2012 in relation to New Plymouth District Council's activity and service level review.

A number of potential savings opportunities are currently being investigated by the review. A report is due to be made to the Council in February next year, when decisions will be made on what proposals for change will need to be consulted on with the community through the Annual Plan process. Final decisions on any proposed savings will be made in June 2013, after public consultation is completed.

Yours sincerely
