Dear Harrison

Thank you for your request of 5 October 2017, requesting:

Could I please request the test certificates for the Royal Easter Show fireworks displays.

Your request was clarified in a further email on 6 October 2017 to include:

Could I please have a copy of the 2017 certificate and, if possible, the 2016 certificate as well please.

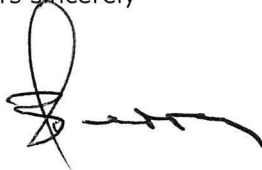

WorkSafe holds a register of test certificates issued by test certifiers under the Hazardous Substances and New Organisms (HSNO) Act 1996.

The register has information on six pyrotechnic display certificates that were issued for displays held at the ASB Showgrounds, 217 Greenlane West, Auckland at the time of the Easter shows in 2016 and 2017. Five certificates were issued in 2016 for displays held during the period of 24-28 March 2016 and one for a display held on 14 April 2017.

Copies of these certificates are included in this response.

If you require any further information please contact ويا@worksafe.govt.nz.

Yours sincerely

Brett Murray
General Manager – Operations and Specialist Services
