

<b>OUTPUT 5 - COMPLIANCE</b>	
<b>1510 Ranging Objective:</b> Coordinate activities of rangers in carrying out compliance activities.	<b>Outcome:</b> Anglers and hunters compliance with regulations is monitored.
<b>Task and Performance Measure</b>	<b>Actual Result</b>
<p>Project 1511</p> <p>Carry out compliance activities as required.</p> <p>Plan and implement opening weekend game season ranging exercises in Central Otago.</p> <p>Plan and implement opening weekend game season ranging exercises in Coastal Otago.</p> <p>Plan peak season ranging schedule in Southern Lakes area.</p> <p><u>Report to Council on any ranging events by August 2016.</u></p>	<ul style="list-style-type: none"> <li>• The Council received reports in June 2016 on game season ranging over opening weekend.</li> <li>• Compliance activities were implemented with 1201 anglers and 163 hunters being interviewed by rangers including staff. 17 Notice of Entry' documents were issued under the Search and Surveillance Act. No offences were detected on these properties.</li> <li>• 72 offenders were apprehended during the year excluding licenceholders who failed to produce licences on demand but presented them at a later date.</li> <li>• 15 formal warnings were given for less serious offences or because of extenuating circumstances.</li> <li>• 3 offenders were untraceable</li> <li>• 51 offenders were the subject of further action and are reported on in Objective 1531 below.</li> <li>• Overall compliance with regulations was 94.7% amongst anglers and 95.8% amongst hunters in Otago excluding 'failure to produce licence' offences.</li> <li>• Reports on compliance activity were made in June and August 2016.</li> </ul>
<p>Project 1512</p> <p>Maintain adequate liaison between rangers and field staff and run ranger activity return system.</p> <p>Assess ranger applications and review status of rangers annually.</p> <p><u>Adequate liaison maintained with rangers through personal contact, sub regional meetings, and pre angling and game seasons newsletters.</u></p> <p><u>Analysis of ranger activity returns for previous year included in annual report.</u></p>	<ul style="list-style-type: none"> <li>• Field staff maintained close liaison with the 26 current rangers during the year.</li> <li>• Ranger warrants were reviewed and renewed during the year as required</li> <li>• Ranger updates were distributed to rangers during the year along with regular email communication.</li> </ul>

<p><b>1520 Ranger Training Objective</b> Provide rangers with ongoing training relevant to compliance activities.</p>	<p><b>Outcome:</b> Rangers undertake compliance work safely and effectively.</p>	
<p><b>Project 1521</b></p>	<p><b>Task and Performance Measure</b> Conduct regional rangers training course by November 2015 in Te Anau. Rangers training course conducted by November 2015.</p>	<p><b>Actual Result</b> • A two day ranger training course was held in Te Anau in November 2015 and local meetings were held with rangers in both Dunedin and Cromwell.</p>

<p><b>1530 Prosecutions Objectives</b> Prosecutions taken where desirable when fish and game or environmental offences are detected.</p>	<p><b>Outcome:</b> Regulation offences are detected and acted upon.</p>	
<p><b>Project 1531</b></p>	<p>Process offence reports and forward prosecutions to lawyer within one month of date of offence. Lodge with courts within statutory time frames.  Offence reports processed and prosecutions forwarded within one month, reports completed and informations signed within time limits. Results of prosecutions for previous year reported in the annual report</p>	<ul style="list-style-type: none"> <li>• 45 offences were dealt with by diversion by payment of a penalty fee as reparation rather than going to Court (Table 4).</li> <li>• 6 offences were referred to Court resulting in two successful prosecutions. The remainder are ongoing</li> <li>• Council adopted an updated set of Prosecution Guidelines August 2016</li> <li>• A compliance summary report was provided to Council in August 2016.</li> </ul>
	<p>Budget \$104,377</p>	<p>Actual \$126,473</p>
