By email: [fyi-request-6695-a2a2863e@requests.fyi.org.nz](mailto:fyi-request-6695-a2a2863e@requests.fyi.org.nz)

Dear Megan Pledger

**Request for official information**

Thank you for your email of 13 October 2017 to the New Zealand Customs Service (Customs), requesting the following information:

- 1. Could you please provide to me the value of the excise tax collected on alcohol in each region of New Zealand e.g. Canterbury, Auckland, Wellington.*
- 2. Can I also have the volume of beverage and the volume of pure alcohol this equates to, by region.*
- 3. Can this data be broken down according to beverage type.*
- 4. Can I have this data in 6 monthly intervals from Jan-June 2007 to July-Dec 2016.*

I have attached the information to this letter for your consideration.

You will note that the data shows excise and volumes collected by port as this is how Customs records this information. In addition, volume has been provided as recorded in the entry (Litre Pure Alcohol (LPA) or Litre (LTR)), as per The Working Tariff Document of New Zealand.

The excise duty payable is calculated on LPA or LTR, depending on the Tariff Item of the alcoholic product concerned.

I trust you find this information helpful. If you have any queries in regard to this response, please contact the Correspondence, Reviews and Ministerial Servicing team at: [OIA@customs.govt.nz](mailto:OIA@customs.govt.nz).

Yours sincerely

Richard Bargh
