CYCLIST DETAILS

31/03/1967 (50 yrs)

Occupation:

Cyclists's Comments: I was cycling along the cycle way which is situated between the park cars and the footpath heading south on the parade. I was doing between 20 and 25 km an hour. As I got level with the black car the woman just ran round the front of it in front of me. I only saw her like a metre before we collided and didnt even have time to grab the brakes.
