Dear Sir

REQUEST FOR INFORMATION UNDER THE LOCAL GOVERNMENT OFFICIAL INFORMATION AND MEETINGS ACT 1987

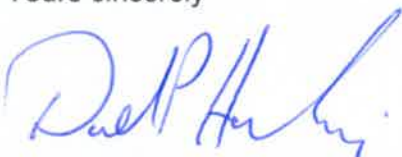

On 29 November 2017, Watercare received from the Auckland Council, your request for information under the Local Government Official Information and Meetings Act 1987 ("LGOIMA") for:

1. If any Auckland Council staff use dowsing as part of their job.
2. If any contractors employed by Auckland Council use dowsing as part of their work when engaged by the Council.
3. If any dowsing companies explicitly offering dowsing services have been engaged by the Council.
4. For any of the above, what costs were incurred by the Council?

Our Response

Watercare does not use this technique; the company uses sophisticated electronic devices.

Yours sincerely

.....
David Hawkins

Corporate Relations & Communications Manager
