Dear Brendon

Official Information Act Request - Outsourcing

Thank you for your request dated 19 December 2012.

Your request is broad and so I shall keep my answer broad in the hope that this provides you with the information you need.

Council currently outsources all its infrastructure activities ie roading, parks and reserves, water and wastewater. It also outsources health, dog control, noise control, animal control, civil defence, rural fire and resource consent planning.

If you require any further information, please do not hesitate to contact me. My DDI is 09 439 3157.

Yours faithfully

Barbara Ware
