Dear Karen Martyn

I refer to your email dated 18 December 2017 in which you requested, under the Official Information Act 1982, *“for 2015, 2016 and 2017, how many societies have been prosecuted under the Incorporated Societies Act 1908?”* You also asked *“for each year, which sections of the Act were the prosecutions associated?”*

I can advise that no incorporated societies were prosecuted by the Registrar of Incorporated Societies in the years 2015 – 2017. The Companies Office holds no information on any prosecutions that might have been brought by the Police or any other party.

Yours faithfully

Michael Brosnahan

Assistant Registrar of Incorporated Societies
