Dear Anthony

Subject: Official Information Act request Re: bed occupancy

Thank you for your request for information under the Official Information Act received by Lakes DHB on 30 January 2018. You have asked for:

- 1. The average number of beds used every month from period July 2010 to June 2017.
This is the numerator figure which you have used to calculate bed occupancy rates.*

Lakes DHB used a base of 164 for the first few years and 169 for the 16/17 year to calculate the bed occupancy rates as per the earlier OIA response dated 26 January 2018.

Yours sincerely

Ron Dunham
Chief Executive
