Dear Ms Middleton

Transfer of request for official information

Thank you for your request of 20 February 2018 under the Official Information Act 1982 (the OIA) for:

Regarding the RMS Niagra, please provide internal departmental reports, papers and presentations and submissions to Minister and Associate Ministers for Transport; including advice, reports, presentations and recommendations and copies of reports and minutes of Maritime NZ on the threat the Niagra poses, options for remedial action, any plan for resolving the situation, contingency plans, costs and risks, recommendations for action or inaction and consideration on time frames and analysis on the potential economic and social impact of leaving it where it is or recovering the oil or other possible responses.

The information you have requested is not held by the Ministry of Transport but is believed to be more closely connected with the functions of Maritime New Zealand. This request is therefore being transferred under Section 14(b)(ii) of the OIA to Maritime New Zealand for response.

Maritime New Zealand will be in contact with you directly regarding your request.

Kind regards,
