1. *The first footage I am after is from a camera on the corner of Williams Street and Ohoka Road in Kaia poi on March 10th between 4pm and 5pm. I am after anything showing a vehicle towing a white and yellow boat on a silver trailer with two motors, one white one black, it is a possibility the vehicle towing this is a black sedan.*
 - The Kaiapoi Waimakariri District Council Cameras record for a maximum of 28days. Because of this there is no footage for the 10th March 2018.

2. *The second footage I am after is of a black and white BMW going through the roundabout of Ohoka Rd and Williams Street in Kaiapoi on March 10th at 4.39pm. I have footage of this going past Super Liquor at 4.39pm (this is their security camera time so could vary a few minutes either side) The BMW is a white car with a black bonnet, grill, roof, boot and mirrors and is on all black wheels/rims.*
 - The camera on Williams Street that may have footage is a number plate reader this records in black and white for us to see if there is any footage available please provide a better description of the boat/trailer/vehicle and or registration plate numbers.
