Dear Melissa

Request made under the Official Information Act 1982

Thank you for your email of 9 April 2018 to Auckland Transport requesting CCTV footage of an incident that occurred earlier that morning along the Northern Motorway at approximately 9:42am. In accordance with section 14 of the Official Information Act 1982 (the Act), your request was transferred to the New Zealand Transport Agency (the Transport Agency) on 12 April 2018.

In particular, you have requested the following information under the Act:

could you make the footage available to the police and let me know the reference number to quote to them.

In order for the New Zealand Police to obtain footage, they are required to complete a formal request through the Auckland Transport Operations Centre. The Police will therefore need to contact David Murphy, Operations Training Manager, by email to cctvrequests@jtoc.govt.nz with reference to your incident.

Unfortunately, the Transport Agency is unable to upload footage direct to the FYI.org.nz website. We would, however, be happy to provide a copy of the footage directly to you. Please contact Jackie Smith, Senior Customer Access Representative by email at jackie.smith@nzta.govt.nz and provide an appropriate email address that she can send this to.

Due to the quality of the images presented in the footage, we are unable to indicate whether tail lights were working on the front vehicle involved in the incident.

If you would like to discuss this reply with the Transport Agency, please contact Ms Smith at the above email address or by phone on 0800 822 422.

Yours sincerely

Neil Walker
