Subject: NZ Police Constabulary Recruitment - Invitation to SCOPE

Application ID:

Kia ora TAG4,

As discussed, I am pleased to confirm you have met the required academic standards at assessment day and you will now progress to the next steps of the selection process, initial PAT and SCOPE.

We will separately email you confirmation of your initial PAT booking.

You will shortly be invited to take part in SCOPE, where you will get first-hand experience on the frontline. You will spend 40 hours, over four shifts, observing many different aspects of police work. Each police officer you work with will evaluate your potential to work effectively on the job. It is also an opportunity for you to ask questions about lifestyle changes, challenges and expectations involved in becoming a police officer.

[Click here](#) to download and print the following documents:

- SCOPE Agreement Form
- SCOPE Applicant Workbook
- SCOPE Police Officer Workbook (four copies)
- Fingerprint Authority Form

Please read, print and take these documents with you when you attend SCOPE. You are required to hand four copies of the SCOPE Police Officer Workbook to the Shift Supervisor on your first shift, along with the Fingerprint form. Your fingerprints may be taken using a LiveScan device, depending on the station you attend your SCOPE.

Please refer to the SCOPE Agreement Form to confirm the appropriate dress attire.

You will be contacted by the District's Workforce Management staff to confirm your SCOPE booking arrangements, within one week. This includes the date, time and location for each shift.

Please ensure you return your workbook to me, within one week of finishing your final SCOPE shift.

All the best for your SCOPE.

Nga mihi,

NZ Police Constabulary Recruitment
