Dear Hannah

Thank you for your email of 22 May 2018, requesting under the Official Information Act 1982 (the Act) the following information:

Please provide information on the specific qualifications on the facilitators of the new seismic assessment reconciliation program introduced by Engineering NZ.

Will they be permitted to be also providing engineering services commercially as well as having this role?

Your request is refused under section 18(g) of the Act, as the Ministry of Business, Innovation and Employment does not hold this information.

If you have not done so already, you may want to contact Engineering New Zealand, as it's their initiative.

You have right under section 28(3) of the Act to request a review of my response by the Ombudsman. Details can be found here: www.ombudsman.parliament.nz

Yours sincerely
